Muskegon, MI -- Cans From Fans™, a Muskegon-based Food Drive to collect non-perishable food items from fans attending community events, will host their second food drive at the 2010 Muskegon Shoreline Spectacular. The event runs from September 3 through September 6 and the Cans From Fans semi-trailer will be on site all four days. There will also be donation bins located throughout the event.

Attendees of the Shoreline Spectacular are encouraged to bring non-perishable food like canned meats and fish, canned soup, juice, pasta, vegetables, cereal, peanut butter and rice to the Cans From Fans semi-trailer. Those who donate food or make monetary donations will receive free parking at locations surrounding the event. Signs will be posted indicating participating parking lots.

All donations will be distributed to local food pantries. Food distribution and volunteer coordination will be executed by Bethany Paterson from Ecclesia Church. Expired, dented or damaged items and those in glass containers will not be accepted.

Cans From Fans' first food drive at the 2010 Muskegon Summer Celebration resulted in over three tons of food being distributed to area food pantries, and organizers are excited to give more to those in need.

The Muskegon Shoreline Spectacular runs September 3 through September 6 and will be located in downtown Muskegon. Learn more at www.shorelinespectacular.com.
